1. All placing is based on record first.
2. All teams with identical records will first use head-to-head competition as the tiebreaker. **Example:** Team A has a record of 1 win and 1 loss, Team B has a record of 1 win and 1 loss, Team A defeated Team B, therefore Team A is the higher ranked.
3. If more than two teams have identical records, points won-by minus points lost-by will determine the higher placing. Example: Team C has the same record as Team A and Team B in rule #2, Team C won by 12 points (+12) won by 4 points(+4) lost by 3 points(-3) a total of +13. If team A or B has points (+12) or less, then Team C is the higher seed.

MAXIMUM POINTS: The maximum number of points allowed per game is 15. This means if a team wins by 20 points it is awarded +15 and the losing team is awarded -15 points only. **ALL FORFEITS WILL BE SCORED 15-0.**

4. If teams are still tied, the same criteria will be followed, only with the tied teams. If this does not separate the teams, a coin flip will be used with the team winning 2 out of 3 flips being the higher seed.

VIRTUALLY ALL TIES WILL BE SETTLED AFTER USING 1, 2, & 3.
